## **COVID-19 STUDENT TRAVEL PROTOCOL:** **Recreational Travel & Mandatory Self-Quarantine**

Governor Baker has issued travel orders effective August 1, 2020 that states that all visitors and returning residents entering Massachusetts must follow new travel orders. The Attleboro Public School's Travel Protocol is also in place as a protection for the safety of all our students and staff when someone is returning to school after travel to a high-risk state or from international travel.

All visitors entering Massachusetts, including returning residents, who do not meet one of the state's exemptions and have traveled to a high-risk state or internationally are required to:

- Complete the Massachusetts Travel Form prior to arrival unless they are visiting from a lower-risk state designated by the Department of Public Health.
- Quarantine for 14 days - or -
  - Produce a negative test result no sooner than 72 hours after your return.
    - Please turn in any negative test results to your building's School Nurse.
- While waiting for test results, your child must remain at home under quarantine and not return to school until a negative test can be produced **or** the 14-day quarantine has been completed.
- If symptom related to COVID-19 are present. The student may not return to school unless:
  - They have been seen by a medical provider and have an alternative diagnosis.
  - Have had a negative COVID test result
  - AND their symptoms have cleared.

For more information please go to: <https://www.mass.gov/info-details/covid-19-travel-order> or contact your School Nurse.
